Sciotoville Elementary Academy

Sciotoville Elementary Academy has successfully completed its sixth year in operation.

Sciotoville Elementary Academy was established in 2008 through the efforts of dedicated community members, parents, and educators to provide a "kids-first" approach to education and a family atmosphere to engage cooperatively with parents and community members to improve learning. The school currently serves grades K-4. SEA provides high quality educational opportunities aligned with Ohio's Academic Content Standards. Utilizing state of the art technology, standards-based report cards, and quality assessments, SEA is able to provide a personalized educational experience.

Sciotoville Elementary Academy operates under the guidance of an elected governing board and a dedicated administrative, teaching, and support staff that is committed to providing a well-rounded quality education for all students.

The governing board, staff, students, and community believe SEA is building a foundation for educational excellence and carrying on the Tartan traditions of our community.
